McGREGOR HIGH SCHOOL
McGREGOR, TEXAS

FOREWORD

Memories of McGregor High School linger long in the minds of all who have been students here. We hope this yearbook will make the reflections of the present students clear and vivid, and in the years to come will help them to remember clearly these high school days as some of the happiest of their lives.

FHA'ers, as I face my fast-approaching graduation day, I envy you - especially you freshmen and sophomores. I envy you your FHA activities; the acquaintances you're going to make, the places you're going to see, the things you're going to learn - yes, even the work you're going to do. For from these you will grow strong and straight and tall; from these you will gain knowledge that will help fit you for your all - important role - homemaker!

PATSY LAWSON
Chapter President

"Toward New Horizons," our motto - throughout my years of experience as a Future Homemaker of America, this has served as the backbone of all our ideals. I am nearing the end of four complete years of work for our organization. Like in everything, there were trying times, but by never giving up, they have all proven to be a blessing. "That our organization shall grow in number and enthusiasm, is my challenge to each of you as you continue to work "Toward New Horizons."

So, they finally caught up with you!

And that's just part of Joe's harem!

No boys, so she chased, and caught, "A Cat?"

You're wanted in the office! "Who, me?"

"MOMMY-O!"

Why aren't you in school?

"Who's arresting who?"

Playing with fire gets little boys in trouble!

"Won't they ever stop bringing in trays?"

You must have a knife in his back!

Before kissing games were of interest, boys were rare, at a party!

"We just dare you !"

"Do you have a test?"

"You girls look tired!"
